EXPERIENCE

Independent Designer & AI Production Systems · Freelance
Jan 2026 – Present

- Building an AI-assisted animated series end to end: character design, storyboarding, image-to-video production, editing, and multi-platform publishing.
- Developed production systems from scratch — storyboard workflow, QA gates, audio standards — and automated publishing/engagement pipelines, cutting revision cycles while raising output quality.
- Launched a print-on-demand product line: branding, product visuals, and E-commerce Shop setup.

Senior Graphic Designer · Dope Marketing (MN, Remote)
Jan 2021 – Nov 2025

- Designed direct mail, multi-page brochures, booklets, and B2B marketing materials.
- Created branded advertising and social media content.
- Built PowerPoint and Google Slides decks, templates, infographics, and timelines — including on-stage presentation assets; presented work directly to the CEO.
- Trained and supported a 10+ designer team.

Freelance Graphic Designer · Project Work
Nov 2019 – Dec 2020

- Comics editing (Toomics Global)
- Vehicle decals (Pueblo de Panay)
- Social & branding (Retrophorics, Storey Teller, Yensanities, The Fit CEO)
- Brand design (Unimotors)
- Asset design (Edney Lane)
- Product photography

Graphic Design Department Head · Project Pentagon
Feb 2019 – Nov 2019

- Led a 5-person design department serving local clients.
- Partnered with engineering, architectural, photo, and video teams; contributed photo/video capture and created social advertising content.

Creative Director · West Shadows Production
Aug 2016 – Sep 2019

- Led a 4-person graphics team at an events production company: client event graphics, event photo/video support, social advertising content.

Print Designer and Operator · Bothends Computer Solutions
Nov 2015 – Jul 2019

- Designed promotional materials, multi-page booklets, and large-format graphics; prepared print-ready files, reviewed proofs, and operated press equipment.

Co-Founder · Sci High Clothing
Feb 2015 – Mar 2016

- Designed T-shirt collections, managed clothing production, shot promotional product photos, and created brand content.
